

Removal

1 Remove lower trim strip on windshield (68-540).

2 Open engine hood and remove plastic expanding clamps.

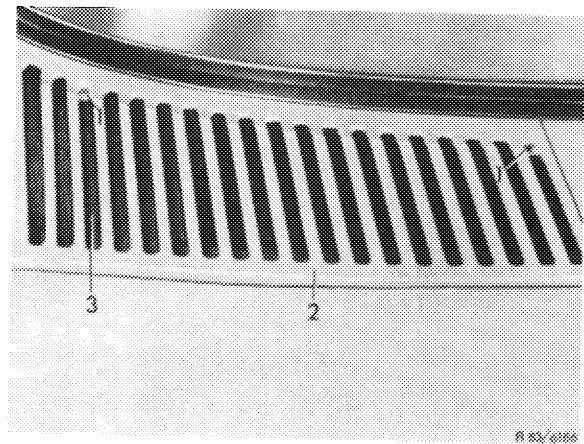

3 Only on vehicles up to:

Model	Chassis end no.
107.043	003 238
107.044	000 918

Remove both screws (1).

4 Remove ornamental grille (2) and screen (3).

Installation

5 For installation proceed vice versa. Pay attention to rubber sections on screen and to ornamental grille.
