

<b>Battery</b> . . . . .	54.1—020
 <b>Fusebox - Wiring Harnesses</b>	
Fuse system type 107.044 USA . . . . .	110/1
Main Wiring Harness Type 107 . . . . .	112
Tail lamp Wiring Harness Type 107 . . . . .	122
Engine Wiring Harness (Electronics) Type 107 . . . . .	135
 <b>Circuit Diagram</b>	
Circuit diagram Type 107.044/024 USA 1973 Model Year . . . . .	200/5
107.044/024 USA 1974 Model Year . . . . .	/7
107.044/024 USA 1975 Model Year . . . . .	/9
107.044/024 USA 1976 Model Year . . . . .	/11
 <b>Instrument Cluster Time Clock</b>	
Removal and Installation of Instrument Cluster . . . . .	310
Circuit Diagram of Instrument Cluster . . . . .	312
Removal and Installation of Speedometer Indicating Instruments and Revolution Counter . . . . .	320
Testing of Electrical Revolution Counter . . . . .	323
Removal and Installation of Electrical Time Clock . . . . .	325
 <b>Cruise Control</b>	
Model Year 1974-1975 Vehicles, General Description . . . . .	400
Testing the Cruise Control System . . . . .	410
Starting Model Year 1976 Vehicles, General Description . . . . .	420
 <b>Test Program for Cruise Control System</b>	
General Information . . . . .	421
Testing Throttle Actuator . . . . .	422
Testing Control Lever Switch, Amplifier and Wiring Harness . . . . .	425
Testing the Control Lever Switch . . . . .	428
Testing the Speed Sensor . . . . .	430
 <b>Seat Belt Warning System</b>	
General Information . . . . .	500
1st Version—1972-1973 Model Year . . . . .	510
2nd Version—1974 Model Year . . . . .	512
3rd Version—1975 Model Year up to mid December 1974 . . . . .	514
4th Version—1975 Model Year from mid December 1974 to February 24, 1975 . . . . .	516
5th Version—1975 Model Year after February 24, 1975 . . . . .	518
